

## 10-4 Feature available with Sanyo

### ***\$15/month (in addition to your cellular plan)***

10-4 is a service that lets you use your cell phone as a walkie-talkie! Reach friends, family and co-workers across the city or across Canada without any long distance charges.

### **Quick & Easy**

At the push of a button, talk one-to-one or call a group of up to 5 other 10-4 subscribers at the same time.

### **Convenient**

When there's no time for chit-chat, use 10-4 to send a quick update.

### **Nation-Wide Coverage**

Enjoy cross-Canada coverage and throughout the continental USA on the 1X network

Unlimited 10-4 calling to anyone else with a 10-4 capable phone & service (1 to 1).

Unlimited group 10-4 calls (1 to up to 5).

(Group calling is promotionally included. Bell Mobility reserves the right to charge for these services in the future).
